

**SOLOMON MITCHELL FAMILY BIBLE,  
HANCOCK COUNTY, TN**

This Bible is in the possession of Lois Mahan, Knoxville, TN, a Mitchell descendant. The title page is missing. In addition to three pages of Bible records, there are two loose sheets of paper, and a clipped newspaper obituary. The Mitchells were early settlers in the Hancock County area.

[Following are the three pages from the Bible, two of births and one of deaths, all written in the same elegant, old-fashioned handwriting, with one later addition, as noted below.]
